

Appl. No. 10/657,320  
Atty. Docket No. 8652C  
Prel. Andt. Dated 1/13/2004  
Customer No. 27752

REMARKS

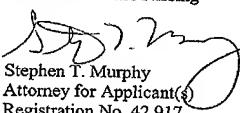

The specification has been amended to correct the language for making a priority claim to related applications as required by new rules. The parent of the above identified application, Appl. No. 09/929,132 claimed "the benefit of" U.S. Application 09/638,237 thereby making the parent a continuation-in-part application. This relationship is being represented in the present application.

It is believed these changes do not involve any introduction of new matter. Consequently, entry of these changes is believed to be in order and is respectfully requested.

Conclusion

In light of the above remarks, it is respectfully requested that this change in wording of priority be incorporated and that the same change be made to the filing receipt and a corrected filing receipt be issued which reflects this change. Early and favorable action in the case is respectfully requested.

Respectfully submitted,  
FOR: Nicholas James Nissing
